Indiana Academy Music Participation Scholarship Information

Indiana Academy is pleased to offer this application to students who wish to be considered for a \$600 Music Participation Scholarship. Any musician may apply, but emphasis is given to the following areas: band, vocal, piano and handbells. This scholarship is available to first-time students only. Since this scholarship is designed to support participation in the music program, the funds are not applied to the school bill. Instead, they apply directly to the cost of private lessons (\$300/semester). **All three portions of the application (listed below) must be received by the Indiana Academy Music Director by August 1:**

➤ **Application (Deadline August 1)**

Fill out and submit the attached application (email preferred).

➤ **Recommendation (Deadline August 1)**

A letter of recommendation from your current (or former) music teacher must be received before your application can be considered.

➤ **Audition (Deadline August 1)**

Applicants are required to submit a musical solo that displays both the technique and expressive qualities of their abilities. This solo can be submitted in one of several ways:

- In person with the Indiana Academy Music Director (contact info is below to schedule)
- Mail
- E-mail
- Post online and email a private link to the Director

If you are awarded the scholarship

To further cultivate the student's talent and abilities, scholarship recipients will be required to:

- Enroll in private music lessons for the full school year
- Be a participant in good standing in an Indiana Academy performing ensemble
- Show exemplary attendance
- Demonstrate a positive and cooperative attitude inside and outside the music department.
- Understand that a scholarship may be revoked if a student fails to exhibit positive citizenship at Indiana Academy.
